TEXAS HIPAA NOTICE FORM

Notice of Policies and Practices to Protect the Privacy of Your Health Information

THIS NOTICE DESCRIBES HOW PSYCHOLOGICAL AND MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

THIS INFORMATION IS BEING PROVIDED TO YOU AS REQUIRED BY LAW.

I. Uses and Disclosures for Treatment, Payment, and Health Care Operations JESSICA ACKER LPC INC and its staff may use or disclose your protected health information (PHI), for treatment, payment, and health care operations purposes with your consent. To help clarify these terms, here are some definitions:

“PHI” refers to information in your health record that could identify you. “Treatment, Payment and Health Care Operations”

- Treatment is when JESSICA ACKER LPC INC or its staff provide, coordinate or manage your health care and other services related to your health care. An example of treatment would be when JESSICA ACKER LPC INC and its staff consult with another health care provider, such as your family physician or another medical professional.
- Payment is when JESSICA ACKER LPC INC and its staff obtain reimbursement for your healthcare. Examples of payment are when JESSICA ACKER LPC INC and its staff disclose your PHI to your health insurer to obtain reimbursement for your health care or to determine eligibility or coverage.
- Health Care Operations are activities that relate to the performance and operation of JESSICA ACKER LPC INC and its staff. Examples of health care operations are quality assessment and improvement activities, business-related matters such as audits and administrative services, and case management and care coordination.
- “Use” applies only to activities within JESSICA ACKER LPC INC and its staff such as sharing, employing, applying, utilizing, examining, and analyzing information that identifies you.
- “Disclosure” applies to activities outside of JESSICA ACKER LPC INC and its staff, such as releasing, transferring, or providing access to information about you to other parties.

Uses and Disclosures Requiring Authorization

JESSICA ACKER LPC INC and its staff may use or disclose PHI for purposes outside of treatment, payment, and health care operations when your appropriate authorization is obtained. An “authorization” is written permission above and beyond the general consent that permits only specific disclosures. In

those instances when JESSICA ACKER LPC INC is asked for information for purposes outside of treatment, payment and health care operations, Davidson Counseling Group will obtain an authorization from you before releasing this information. Davidson JESSICA ACKER LPC INC will also need to obtain an authorization before releasing your psychotherapy notes. "Psychotherapy notes" are notes a JESSICA ACKER LPC INC psychologist or counselor has made about our conversation during a private, group, joint, or family counseling session, which JESSICA ACKER LPC INC has kept separate from the rest of your medical record. These notes are given a greater degree of protection than PHI.

2. You may revoke all such authorizations (of PHI or psychotherapy notes) at any time, provided each revocation is in writing. You may not revoke an authorization to the extent that (1) JESSICA ACKER LPC INC has relied on that authorization; or (2) if the authorization was obtained as a condition of obtaining insurance coverage, and the law provides the insurer the right to contest the claim under the policy.
